

In Loving Memory of Anita Widger

The Otsego County Fair Association would like to express our deepest sympathy to the family and many friends of Anita Widger.

Anita was the sweetest person in the world. She would do anything for you and not expect anything in return.

She has been involved in the fair for many years, volunteering her time doing everything from taking care of the commercial exhibit building, to helping with float making and painting mural backgrounds. You could always find her walking around the grounds, with camera in hand. She loved her photography, especially her photos of children.

Anita loved to paint and would display her new works of art at the fair in the open class building. She loved to garden and planted numerous flowers. She just loved being outdoors in her garden, especially to watch the wildlife come around. Her love for animals included her cats, a dog and a huge tank of tropical fish.

All who met her, even at her job, loved Anita. Her friends became her extended family. She loved to dance and was always available when asked to dance. She loved every aspect of life and we are all sorry that hers was cut short. Anita will be deeply missed by all.

These are just a few of the pictures that Anita had taken.
