

**1992 Otsego County Fair Premium Book
Is Dedicated To
The People of Otsego County
and Surrounding Area**

The honoree of the 1992 Otsego County Fair is you - all of you, the people of Otsego County and surrounding area. The Fair Board dedicates the Premium Book to the people who make it possible to have an Otsego County Fair. Only with the continued support of these people is it possible to hold a Fair each year. The County Fair has been happening for over 75 years. With the support of the people of our county and surrounding area, the Fair Board has built a new grandstand at a cost of \$85,000.00. A new underground water system and underground wiring have been installed. With the help of the County Commissioners 10 acres of land was purchased. This additional land now makes 42 acres of Fairgrounds. The Fair is a tradition in our community, and is still needed in our county. The Fair is an exhibit area for the youth of our community to display their animals and projects. The Fair is a positive influence on our youth. The Fair furnishes entertainment such as horse racing, demolition derbies, rodeos, talent shows, 4-H exhibits, and livestock auctions. The Fair provides good family fun for all the people of the County and surrounding area. Thank you Otsego County and surrounding area for your continued support!
